Start the Year with Artisan Handcraft

With the new year comes a new *Pasadena Bead & Design Show* –January 7-9 at the Hilton Pasadena. Attendees shop from an unrivaled collection of artisan handcraft by renowned artists, artisans, and tradespeople –the ideal way to start the year.

Meet the artists and merchants who showcase vast and eclectic displays of traditional and contemporary, finished pieces and components. From hand printed fabrics, hand sewn clothing, handcrafted beads, and jewelry, to antique beads, ancient findings, and clothing, you're bound to find something you've never seen before!

Workshops in jewelry making techniques and skills are offered throughout the show. Participants can try their hand at wire work, collage, painting, art decor, art clay, chainmaille and more. Combine jewelry making and chemistry in the Copper Electroforming, a fun new workshop offered at the January show. Early workshop registration is recommended to reserve your seat.

Feel a buzz of excitement as you browse fresh, exciting new designs and shop from the artisans themselves in the bright and airy ballrooms of the Hilton Pasadena. We are thrilled to be back at the *Pasadena Bead & Design Show!*

Show hours are 10am - 6pm, Friday through Sunday, January 7-9. Tickets are \$8 online or \$10 at the door. Location is Hilton Pasadena, 168 South Los Robles Ave, Pasadena CA. For more information, go to www.beadanddesign.com, follow us on Twitter, or like us on Facebook.
